

To Whom It May Concern,

I am writing to highly recommend **Ajay Thakur** for any opportunity in the field of public relations and branding. Our team had the pleasure of working with ajay as a Campus Ambassador at Techniche, IIT Guwahati, for 4 months between June - September 2023 and was consistently impressed by his dedication, enthusiasm, and professionalism.

In his time with us, Ajay demonstrated a strong aptitude for PR, consistently producing high-quality work and consistently meeting deadlines. He was a valuable member of our team and contributed significantly to the success of our projects.

He has a natural talent for communication and is skilled in both written and oral expression. He has strong attention to detail and is able to effectively manage his time and prioritise his tasks. He is also a team player and is able to work effectively with others to achieve common Goals.

We have no doubt that he would be an asset to any organisation, and I highly recommend him for any opportunity.

Sincerely,
Parth Rathod,
